

Beni-Suef University
Faculty of Veterinary Medicine

Curriculum Vitae

* Personal Information:

Name: **Khaled Mohamed El-Dakhly Omar.**

Gender: **Male.**

Date of birth: **1/2/1971.**

Site of birth: **Egypt.**

Social status: **Married.**

Nationality: **Egyptian.**

Telephone (s): Home **+2 082 2132842**

Work **+2 082 2322066**

+2 082 2327982

Cell phone: **+201126910310**

Fax: **+2082 2327982**

Address: **58 Ebn El-Rashid Street Mokbel El-Gadid - Beni-Suef**

Governorate – Arab Republic of Egypt.

E-mail: **eldakley_s71@yahoo.com**

eldakley_s71@vet.bsu.edu.eg

Occupation: **Professor of Parasitology – Faculty of Veterinary
Medicine, Beni-Suef University, Egypt.**

*** Educational Background:**

- ▣ The degree of Bachelor of Veterinary Medical Sciences (B.V.Sc) from Faculty of Veterinary Medicine, Beni-Suef, Cairo University, Egypt, with final grade very good (76.63%) in **December 1993**.
- ▣ The degree of Master of Veterinary Science from Faculty of Veterinary Medicine, Beni-Suef, Cairo University, Egypt, in **May 1998**.
- ▣ The degree of Philosophy Doctor of Veterinary Science From Faculty of Veterinary Medicine, Beni-Suef, Cairo University, Egypt, in **April 2004**.
- ▣ The degree of Associate Professor from the fulfillment committee of Parasitology in Egypt in **March 2009**.
- ▣ The degree of Professor from the fulfillment committee of Parasitology in Egypt in **April 28, 2014**.

*** Professional positions:**

- ▣ Demonstrator of Parasitology at the Faculty of Veterinary Medicine Beni-Suef, Cairo University, Egypt, in 22/1/1995.
- ▣ Assistant lecturer of Parasitology at the Faculty of Veterinary Medicine Beni-Suef, Cairo University, Egypt, in 16/6/1998.
- ▣ Lecturer of Parasitology at the Faculty of Veterinary Medicine Beni-Suef, Cairo University, Egypt, in 26/5/2004.
- ▣ Associate Professor of Parasitology at the Faculty of Veterinary Medicine Beni-Suef University, Egypt, in 26/5/2009.
- ▣ Professor of Parasitology at the Faculty of Veterinary Medicine Beni-Suef University, Egypt, in 24/6/2014.
- ▣ Head of the department of Parasitology in Faculty of Veterinary Medicine, Beni-Suef University at **20 April 2014 to July 2024**.

- ▣ Secretary of Faculty Council on 23/9/2014 so far.
- ▣ Membership of the permanent scientific committees of the Supreme Council of Universities, Egypt during the period of **2019-2025**.

*** Teaching activities:**

- ▣ From 1995 – 2004 teaching the practical course of Parasitology (Helminthes, Arthropoda and Protozoa) for the under-graduate (third year) and post-graduate students in Faculty of Veterinary Medicine Beni-Suef, Cairo University, Egypt.
- ▣ From 2004 so far, teaching the theoretical and practical courses of Parasitology for the undergraduate (third year) and postgraduate students at the Faculty of Veterinary Medicine, Beni-Suef University, Egypt.
- ▣ Teaching the course of Parasitology for both undergraduate and postgraduate students in the Faculty of Veterinary Medicine, South Valley University, Egypt during the period from 2014/2015 to 2016/2017.

*** Societies and Associations:**

- ▣ A member and partner of the Upper Egypt in Egyptian Veterinary Medical Society of Parasitology, Faculty of Veterinary Medicine Ismailia, Suez-Canal University.
- ▣ A member in Egyptian Society of cattle diseases, Faculty of Veterinary Medicine, Assiut University.
- ▣ A member in Egyptian Society of Environmental Toxicology, Faculty of Veterinary Medicine, Beni-Suef University, Egypt.
- ▣ A member in Japanese Society of Parasitology (JSP) from 16-2-2011 so far.
- ▣ A member in Japanese Society of Veterinary Science (JSVS) from 2013 so far.

*** Conferences and scientific events:**

- 1) Participation in 1st scientific congress in Faculty of Veterinary Medicine Beni-Suef Cairo University at 28 September – 1 October 1999.
- 2) Participation in 2nd scientific congress in Egyptian Veterinary Medical Society of Parasitology, Suez-Canal University, December 2005.
- 3) Participation in 8th scientific congress of Egyptian Society of Cattle Diseases in association with Faculty of Veterinary Medicine Assiut University at 11 – 13 December 2005.
- 4) Participation in the 2nd scientific conference of Egyptian society of Environmental Toxicology in collaboration with Faculty of Veterinary Medicine Beni-Suef University during 18-20 April, 2006.
- 5) Participation in 4th scientific congress in Faculty of Veterinary Medicine Menofyia University at 26 – 27 April 2006.
- 6) Participation in the workshop about “Advanced tools in microscopic examination and diagnosis” held in Faculty of Veterinary Medicine, Beni-Suef University during 7-9 May 2006.
- 7) Participation in 8th scientific congress in Faculty of Veterinary Medicine Zagazig University at the period from 31 August to 2 September 2006.
- 8) Participation in the 5th scientific congress in Faculty of Veterinary Medicine Beni-Suef University at 6-9 November 2007.
- 9) Participation in 4th scientific congress of Egyptian Society of Environmental Toxicology in association with Faculty of Veterinary Medicine Beni-Suef University at 11 – 14 November 2008.
- 10) Participation in the 2nd scientific congress of the Veterinarian Association in Damietta on 23 July 2008.
- 11) Participation in the 22nd Veterinary Association Malaysia Congress and the 4th Wildlife Society of zoo and Wildlife Medicine International Meeting at the period

of 30th July to 1st August 2010, Kuala Lumpur, Malaysia.

- 12) Participation in the 16th Annual Meeting of Japanese Society of Zoo and Wildlife Medicine at the period of 1-4 September 2010 in Fukuoka, Japan.
- 13) Participation in the 81st meeting of the Japanese Society of Parasitology held in Hyogo School of Medicine, Japan at 23-24 March 2012.
- 14) Participation in the event “Think about food and animals” held annually by Gifu University, Japan 4 consecutive times on April 24, 2010.
- 15) Participation in the event “Think about food and animals” held annually by Gifu University, Japan 4 consecutive times on June 4, 2011.
- 16) Participation in the event “Think about food and animals” held annually by Gifu University, Japan 4 consecutive times on May 19, 2012.
- 17) Participation in the event “Think about food and animals” held annually by Gifu University, Japan 4 consecutive times on May 18, 2013.
- 18) Participation in the 5th International conference of the Asian Society of Zoo and Wildlife Medicine, held in Bangkok, Thailand in 10-12 October 2012.
- 19) Participation in the Satellite Symposium held by the Asian Society of Zoo and Wildlife Medicine, held in Chiang Mai, Thailand in 13-14 October 2012.
- 20) Participation in the 155th Annual Meeting of the Japanese Society of Veterinary Science, Komaba Campus, Tokyo University, Tokyo, Japan held in 28-30 March 2013.
- 21) A member of the executive committee for the Egypt/Gifu University Symposium 2013, held at Gifu University, Japan on June 15, 2013.
- 22) Participation in the 1st Scientific Conference of Animal Behavior and Management in Faculty of Veterinary Medicine, Beni-Suef University on April 8, 2014.

- 23) Participation in Beni-Suef University conference for scientific characterization on Tuesday 17 June, 2014.
- 24) Participation in the national symposium entitled “**Mechanisms to encourage international publication**” in Beni-Suef University on August 5, 2014.
- 25) Participation in 2nd International Asian Pacific Veterinary Conference (APVC), held in Bangkok, Thailand in 1-3 October 2014.
- 26) Participation in Beni-Suef University symposium entitled “**International and local MOU at Beni-Suef University and ways to activate**” “**The scholarship program-The definition of grants-submission terms**”, held in Beni-Suef University on October 26, 2014.
- 27) Participation in the workshop done by Beni-Suef University postgraduate sector in cooperation with Egyptian Supreme Council of Universities, held in Beni-Suef University during 14-15 December 2014.
- 28) Participation in the 6th international conference of the Egyptian Society of Parasitology held in Damanhour University during 16-18 December 2014.
- 29) Participation in the International Conference of Beni-Suef University in cooperation with the Egyptian Inventors Syndicate “**Egypt event 2015**”, held in Beni-Suef University on March 8, 2015.
- 30) Participation in the symposium done by Beni-Suef University postgraduate sector entitled “**Evaluation of QS Agency and International Ranking of Universities**”, held in Beni-Suef University during on March 10, 2015.
- 31) Participation in the symposium entitled Health Insurance done by Beni-Suef University in association with FAO, held in faculty of Pharmacy on March 11, 2015.
- 32) Participation in the symposium done by International Cooperation and Foreign Relations Office of Beni-Suef University in collaboration with The American Fulbright Organization, in Faculty of Arts, on March 24, 2015.

- 33) Participation in the training course given by the German DAAD Agency entitled **“Self management”**, held in Faculty of Commerce, Beni-Suef University, on April 5, 2015.
- 34) Participation in the 1st Conference of Microbiology Department, Faculty of Pharmacy, Beni-Suef University entitled **“Biotechnology for the emerging economies”**, held on April 7, 2015.
- 35) Participation in the symposium done by Beni-Suef University postgraduate sector entitled **“Role of Faculty of Medicine in raising the university ranking”**, held on May 10, 2015.
- 36) Participation in the symposium done by Beni-Suef University postgraduate sector entitled **“Programs and grants of DAAD for academic exchange service”**, held in faculty of Arts, on May 26, 2015.
- 37) Participation in the symposium done by Beni-Suef University postgraduate sector entitled **“Scientific prizes: types and how to get in”**, held on August 9, 2015.
- 38) Participation in the symposium done by Beni-Suef University postgraduate sector entitled **“Towards a strategy for effective management of the university students on scholarships”**, held in faculty of Veterinary Medicine, on August 18, 2015.
- 39) Participation in the symposium done by Beni-Suef University postgraduate sector entitled **“Researchers through international grants”**, held on August 23, 2015.
- 40) Participation in the symposium done by Beni-Suef University postgraduate sector entitled **“The info day of the European programmers for higher education (Erasmus +)”**, held on September 1st, 2015.
- 41) Participation in the symposium done by Beni-Suef University postgraduate sector entitled **“Research and scientific cooperation between the Korean Cultural Center and Beni-Suef University”**, held on September 8, 2015.
- 42) Participation in the symposium done by Beni-Suef University postgraduate sector entitled **“Ranking of Beni-Suef University”**, held at Faculty of Science, on October 11, 2015.

- 43) Participation in the symposium done by Beni-Suef University postgraduate sector entitled “**Mechanisms to attract visiting professors**”, held at Faculty of Veterinary Medicine, on November 8, 2015.
- 44) Participation in the symposium done by Beni-Suef University postgraduate sector entitled “**About a hundred patents in Beni-Suef University**”, held at Faculty of Pharmacy, on November 22, 2015.
- 45) Participation (**General Secretary**) in the 7th international conference of Egyptian Society of Veterinary Parasitology entitled “**Towards a healthy Egypt**”, held in Fayed, Ismailia, during the period of 26-28 November, 2015.
- 46) Participation in the seminar entitled “**Modern tools of nutrition**” held at the Faculty of Veterinary Medicine, Beni-Suef University on December 6, 2015.
- 47) Participation in the seminar entitled “**Ethics and guidelines of animal use in scientific research**” held at the Faculty of Veterinary Medicine, Beni-Suef University on December 8, 2015.
- 48) Participation in the 3rd international conference of Beni-Suef University with collaboration with Association of Arab Universities (AARU) entitled “**Distance Learning: Environments, Developments, Experiences**” held at the University festival hall, on December 20-21, 2015.
- 49) Participation in the 1st Beni-Suef University conference entitled “**Homeless Children**” with the subtitle “**Learn, Produce and Refer to your house**”, held at the University festival hall, on December 22, 2015.
- 50) Participation in the 13th conference held by the Egyptian Association of Cattle Diseases held in Hurghada on February 1-4, 2016.
- 51) Participation in the 10th conference of Faculty of Arts, Beni-Suef University entitled “**Towards building a strategy for sustainable development in Upper Egypt under the Humanities**” held on March 13-14, 2016.
- 52) Participation in the 1st student conference of Faculty of Arts, Beni-Suef University entitled “**Student activities and their role in the development of creativity and pioneering thinking**” held on March 27, 2016.

- 53) Participation in the 1st scientific conference of undergraduate sector of Beni-Suef University entitled “**The development of educational and student services in the light of the labor market challenges .. Experiences and future visions .. learn, train, compete**” held during the period from April 18-19, 2016.
- 54) Participation in the 5th scientific conference of Faculty of Science for students entitled “**Basic sciences and their technological applications**” held in the Faculty of Science, Beni-Suef University on May 3, 2016.
- 55) Participation in the symposium of the Faculty of Arts in collaboration of the Department of Information, Faculty of Arts, Beni-Suef University entitled “**Reading in knowledge society**” on May 8, 2016.
- 56) Participation in the symposium entitled “**International publication of social sciences: steps and recommendations**” held in Faculty of Arts, Beni-Suef University on May 15, 2016.
- 57) Participation in the “**5th science anniversary of Beni-Suef University**” held on May 23, 2016.
- 58) Participation in the symposium entitled “**Alexander von Humboldt Foundations: how to get post doctor research grant scholarships**” held in Beni-Suef University on May 24, 2016.
- 59) Participation in the training program during the scientific visit of Dr. Thomas Craig, Professor of Parasitology, Texas University, USA during 11-14 July, 2016.
- 60) Participation in the four workshops on “**Scientific writing and publishing**”, “**Parasites of farm animals**”, “**Impact of parasitic diseases for the veterinarian**” and “**Anthelmintic resistance: What's old? What's new? What's up?**” held in Beni-Suef University on 11-13 July, 2016.
- 61) Participation in the symposium entitled “**Information technology: a step to improve the educational process**” held in Beni-Suef University on August 28, 2016.
- 62) Participation in symposium entitled “**guidelines of publication of Journal of Veterinary Medical Research**” held at the Faculty of Veterinary Medicine, Beni-Suef University on September 4, 2016.

- 63) Keynote speaker in the symposium entitled "**guidelines of publication of Journal of Veterinary Medical Research**" held at the Faculty of Veterinary Medicine, Beni-Suef University on September 4, 2016.
- 64) Participation in the "**Forum of the development of scientific research in Beni-Suef University**", held in Beni-Suef University on September 6, 2016.
- 65) Participation in the symposium entitled "**Good researcher and international publication**" held at the Faculty of Medicine, Beni-Suef University on September 18, 2016.
- 66) Participation in the "**CHEVENING Information Session**" held at the Faculty of Arts, Beni-Suef University on September 25, 2016.
- 67) Participation in the symposium entitled "**How to prepare research projects? Steps and funding resources**" held in the Faculty of Science, Beni-Suef University on October 4, 2016.
- 68) Participation in the symposium entitled "**workshop in database on clinical key of global and scientific information resources**" held in the grand celebration hall in Beni-Suef University on October 16, 2016.
- 69) Participation in the symposium entitled "**Publishing and intellectual property rights of researchers in the digital age**" held in the grand celebration hall of Beni-Suef University on October 23, 2016.
- 70) Participation in the 8th scientific conference of the Faculty of Veterinary Medicine, Beni-Suef University entitled "**Hazaeds facing animals and poultry: Challenges and opportunities**" held in Hurghada, Egypt during the period from 25-29 October, 2016.
- 71) Participation in the induction day of the initiative "**Beni-Suef University: Researcher ID profile**" held at the Faculty of Arts, Beni-Suef University on October 30, 2016.
- 72) Participation in the symposium entitled "**Natural reserves in Egypt-national treasures**" held at the Faculty of Arts, Beni-Suef University on November 1st, 2016.

- 73) Participation in the scientific conference held by the Graduate Studies and Research sector and the Education and Student Affairs Sector entitled "**Towards building a strategy to convert students into researchers**" in the grand celebration hall on November 8, 2016.
- 74) Participation in the 11st conference held by the Faculty of Arts, Beni-Suef University and entitled "**Social sciences and humanities against terrorism**" during 13-14 November, 2016.
- 75) Participation in the festival held by the Community service and environmental development sector entitled "**International day against violence against women**" held in the grand celebration hall on November 22, 2016.
- 76) Participation in the symposium held by the office of consulting and research-industry link entitled "**Economic feedback of scientific research from the perspective of the knowledge economy: Experience of EPRI**" held on November 27, 2016.
- 77) Participation in the symposium of the Faculty of Arts and postgraduate and research sector Beni-Suef University entitled "**peer reviewing: opinions and experiences**" held on November 29, 2016.
- 78) Participation in the symposium of the Faculty of Arts and postgraduate and research sector Beni-Suef University entitled "**Scripts: issues and visions**" held on November 29, 2016.
- 79) Participation in the symposium of the Faculty of social studies and political sciences entitled "**Public opinion and policy making**" held on December 19, 2016.
- 80) Participation in the 4th festival of the mentally challenged unit with collaboration of the Faculty of Science with special needs entitled "**Learn them hope**" held in the grand celebration hall on December 20, 2016.
- 81) Participation in the 2nd student conference of the faculty of Arts, Beni-Suef University entitled "**Youth and industry development in Upper Egypt**" held on February 19, 2017.

- 82) Participation in the workshop held by the faculty of Pharmacy entitled "**Using X-ray crystallography in structural biology**" during 27-28 February 2017.
- 83) Participation in the 2nd conference of the education and students affairs of Beni-Suef University entitled "**Innovation and creativity for Egyptian, Arab and African Universities students of bachelor**" held on March 5, 2017.
- 84) Participation in the symposium held by the Faculty of Information, Beni-Suef University entitled "**Psychological and social treatment of violence and extremism**", on March 7, 2017.
- 85) Participation in the symposium of the digital library, Beni-Suef University in collaboration with the Egyptian knowledge Bank, entitled "**Maximizing the utilization of the global databases and the Egyptian Knowledge Bank**", held in the Faculty of Arts, Beni-Suef University during the period from 8-9 March, 2017.
- 86) Participation in the lecture of the department of Information Science, Faculty of Arts, Beni-Suef University entitled "**The skills of information specialists in the 21st century**", on March 12, 2017.
- 87) Participation in the competition of **FameLab** held in Beni-Suef University conference center on March 12, 2017.
- 88) Participation in the celebration of Beni-Suef National Day held by the Faculty of Arts, Beni-Suef University entitled "**Beni-Suef: History, Geography and Language**" on March 14, 2017.
- 89) Participation in the symposium held by the Faculty of Arts, Beni-Suef University in collaboration with the National Council for Women entitled "**The role of women in the renaissance of society**", on March 19, 2017.
- 90) Participation in the **1st International Festival for International Students** held by Beni-Suef University on March 19, 2017.
- 91) Participation in the symposium of the Faculty of Arts, Beni-Suef University in collaboration with the Social Fund for Development, Egypt entitled "**Rehabilitation of youth to the labor market**" on March 20, 2017.

- 92) Participation in the workshop of the Faculty of Veterinary Medicine, Beni-Suef University entitled "**Using animals in experimental research: Principles and practical applications**", on March 21, 2017.
- 93) Participation in the symposium of Beni-Suef University E-Learning Project entitled "**Activation of e-learning project at the University**", held in the Faculty of Arts, Beni-Suef University on March 21, 2017.
- 94) Participation in the **1st University celebration of Mother's Day** held in the grant celebration hall, Beni-Suef University on March 21, 2017.
- 95) Participation in the workshop of the Faculty of Veterinary Medicine, Beni-Suef University entitled "**How to create an account in the Egyptian Knowledge Bank**", on March 26, 2017.
- 96) Participation in the symposium of the Unit against violence and harassment against women in the Faculty of Arts, Beni-Suef University entitled "**Egyptian women ... National security**" on March 28, 2017.
- 97) Participation in the symposium of Committee on the ethics of experimental animals in scientific research of Beni-Suef University entitled "**Ethical use of experimental animals and their role in international dissemination**" on March 28, 2017.
- 98) Participation in the symposium of the Office of laboratories and scientific devices, Beni-Suef University entitled "**Activities of the National Bank of Laboratories and its services**" held in the Faculty of Arts, Beni-Suef University, on March 30, 2017.
- 99) Participation in the symposium of the Department of Chemistry, Faculty of Sciences, Beni-Suef University entitled "**Forensic medicine and its applications**" on March 30, 2017.
- 100) Participation in the symposium of The induction day of the Scholarship Follow-up Office, Beni-Suef University entitled "**Personal Grants**" held by the Faculty of Arts, Beni-Suef University, on April 2, 2017.

- 101) Participation in the 4th scientific conference of the Faculty of Arts, Beni-Suef University entitled "**Research applications in the field of human sciences and their role in the renaissance of society**" on April 4, 2017.
- 102) Participation in the symposium held by the Department of Psychology, Faculty of Arts, Beni-Suef University entitled "**Psychology of literature**" on April 11, 2017.
- 103) Participation in the **Annual Scientific Conference of Plant and Microbiology Department, Faculty of Sciences**, Beni-Suef University on April 11, 2017.
- 104) Participation in the **Scientific Forum for Students of Faculties of Applied Medical Sciences in the Arab Republic of Egypt**, held in Beni-Suef University on April 11, 2017.
- 105) Participation in the symposium held by the Department of Psychology, Faculty of Arts, Beni-Suef University entitled "**Technology of intimacy and citizenship**" on April 16, 2017.
- 106) Participation in the 3rd student conference of the Faculty of Nursing, Beni-Suef University entitled "**Scientific research is our way to improve the profession of nursing**" on April 16, 2017.
- 107) Participation in the symposium of the Faculty of Social Development, Beni-Suef University in collaboration with the Fund for the fight against addiction treatment entitled "**You are the strongest**" in the grant celebration hall, on April 18, 2017.
- 108) Participation in the 1st scientific conference of the National Institute of Elderly Sciences, Beni-Suef University entitled "Elderly crown on heads: strategies and actions" in the grant celebration hall, on May 2, 2017.
- 109) Participation in the workshop on the sidelines of the first scientific conference of the National Institute of the Elderly, Beni-Suef University entitled "**Guide to quality care and quality life for elderly**" on May 3, 2017.
- 110) Participation in the **celebration of the Sixth Science Day** of Beni-Suef University on May 7, 2017.
- 111) Participation in the **6th student conference of the Faculty of Sciences**, Beni-Suef University on May 7, 2017.

- 112) Participation in the 2nd scientific conference of the Faculty of Nursing, Beni-Suef University entitled "**The role of nursing in leadership and the promotion of global health**" on May 7, 2017.
- 113) Participation in the preparatory seminar for the 3rd conference on disability held by Center for Research and Psychological Studies in collaboration with Beni-Suef University entitled "**Disability and Talent: Challenges and Promising Paths**" on May 9, 2017.
- 114) Participation in the symposium of the Unit for consultation and linking research with industry, Beni-Suef University entitled "**University research capacity to solve the problems of Beni-Suef Governorate**" on May 9, 2017.
- 115) Participation in the seminar held in the Faculty of Veterinary Medicine, Beni-Suef University entitled "**Nano-biosensors: Overview, applications & prospects**" on May 9, 2017.
- 116) Participation in the training course held in the Faculty of Veterinary Medicine, Beni-Suef University entitled "**The basics of scientific writing and international publication of research**" on May 14-16, 2017.
- 117) Participation in the mass conference held by the Faculty of Arts, Beni-Suef University entitled "**The role of youth in building and facing challenges**" on September 24, 2017.
- 118) Participation in the introductory session of International Cooperation Office in Beni-Suef University about **Chenvening scholarships and ILETS** in the Faculty of Arts, Beni-Suef University on October 1, 2017.
- 119) Participation in the symposium of the Faculty of Economic Studies and Political Science, Beni-Suef University entitled "**October .. lessons achieved**" held in the grand celebration hall, Beni-Suef University on October 3, 2017.
- 120) Participation in the training course of International Classification Office in Beni-Suef University in cooperation with the Nature Research Academy and Egyptian Knowledge Bank entitled "**Clinical Research Methodology**" on October 3, 2017.
- 121) Participation in the celebration of Community Service sector and Environmental Development- Disability Challenger Unit, Beni-Suef University in collaboration of

Faculty of Social Development, entitled "**World Blind Day**" held on October 17, 2017.

122) Participation in the digital library project workshop in Beni-Suef University entitled "**Digital library and community University: Services and availability**" held on October 17, 2017.

123) Participation in the symposium of the Department of Biotechnology, Faculty of Postgraduate studies, Beni-Suef University in collaboration with Animal Ethics Committee, entitled "**The role of ethics in the use of laboratory animals in the international publishing**" held on October 29, 2017.

124) Participation in the symposium of the Faculty of Environmental and Biotechnology Agriculture and Food Processing, Beni-Suef University entitled "**Microbial pigments and their applications in the food industry**" held on October 31, 2017.

125) Participation in the workshop of the Faculty of Postgraduate studies, Beni-Suef University in collaboration with Office of International Cooperation and External Relations entitled "**New trends in nanotechnology**" held on November 5, 2017.

126) Participation in the 3rd students conference of the Faculty of Arts, Beni-Suef University entitled "**The role of youth in combating intellectual violence**" held on December 3, 2017.

127) Participation in the online webinar **How to use artificial intelligence to enhance scientific research** held on the sidelines of Arish University conference (Scientific Research and sustainable development prospects in Sinai) on 20th Jan 2025.

128) Participation in the online webinar **Review article: technique of writing** held on the sidelines of Arish University conference (Scientific Research and sustainable development prospects in Sinai) on 22nd Jan 2025.

129) Participation in the online webinar **The perfect ways for nutrition** held on the sidelines of Arish University conference (Scientific Research and sustainable development prospects in Sinai) on 23th Jan 2025.

130) Participation in the online webinar **The academic curriculum vitae** held on the sidelines of Arish University conference (Scientific Research and sustainable development prospects in Sinai) on 24th Jan 2025.

131) Participation in the online webinar **Food safety: challenges and control options** organized by the Egyptian Society of Food Safety on 25th Jan 2025.

132) Participation in the online webinar **Sustainability and carbon footprint** held on the sidelines of Arish University conference (Scientific Research and sustainable development prospects in Sinai) on 26th Jan 2025.

133) Participation in the online webinar **A brief overview of scientific writing and international publications** held on the sidelines of Arish University conference (Scientific Research and sustainable development prospects in Sinai) on 28th Jan 2025.

134) Participation in the online webinar **Using artificial intelligence techniques in early detection of disability: opportunities and challenges** held on the sidelines of Arish University conference (Scientific Research and sustainable development prospects in Sinai) on 2nd Feb 2025.

135) Participation in the online webinar **The effect of nanomaterials on animal health** organized by Future Scientific Platform on 14th Feb 2025.

*** Presentations and posters:**

1- A paper entitled "**Some parasitic and bacterial causes of liver affections in ruminants**" in the 5th scientific congress in Faculty of Veterinary Medicine Beni-Suef University, Egypt at 6-9 November 2007.

2- A paper entitled "**Parasitological studies on stomach worms of the black cormorant (*Phalacrocorax carbo*) in the lake Biwa, Japan**" in the 22nd Veterinary Association Malaysia Congress and the 4th Wildlife Society of zoo and Wildlife Medicine International Meeting at the period of 30th July to 1st August 2010, Kuala Lumpur, Malaysia.

- 3- A paper entitled “**Nematodal helminths of the great cormorant (*Phalacrocorax carbo*) in the lake Biwa, Japan**” in the 16th Annual Meeting of Japanese Society of Zoo and Wildlife Medicine at the period of 1-4 September 2010 in Fukuoka, Japan.
- 4- A poster entitled “**Parasitological studies on stomach worms of the black cormorant (*Phalacrocorax carbo*) in the lake Biwa, Japan**” in the 22nd Veterinary Association Malaysia Congress and the 4th Wildlife Society of zoo and Wildlife Medicine International Meeting at the period of 30th July to 1st August 2010, Kuala Lumpur, Malaysia.
- 5- A presentation of paper entitled “**Prevalence and distribution patterns of *Sarcocystis* spp. in Buffaloes in Beni-Suef, Egypt**” during the 81st meeting of the Japanese Society of Parasitology held in Hyogo School of Medicine, Japan at 23-24 March 2012.
- 6- A presentation of the paper entitled “**Helminth fauna of a Japanese golden eagle, *Aquila chrysaetos japonica***” during the Satellite Symposium held by the Asian Society of Zoo and Wildlife Medicine, held in Chiang Mai, Thailand in 13-14 October 2012.
- 7- A poster of the paper entitled “**Occurrence of the subcutaneous mite, *Hypodectes propus* (Acarina: Hypoderatidae), in the grey heron, *Ardea cinerea* (Aves: Ciconiiformes) a new host record in Japan**” during the 5th International conference of the Asian Society of Zoo and Wildlife Medicine, held in Bangkok, Thailand in 10-12 October 2012.
- 8- A poster of the paper entitled “**The use of different diagnostic tools for *Babesia* and *Theileria* in cattle in Menofia, Egypt**” during the 155th Annual Meeting of the Japanese Society of Veterinary Science, Komaba Campus, Tokyo University, Tokyo, Japan held in 28-30 March 2013.
- 9- Two posters entitled “**Helminth fauna of a Japanese golden eagle, *Aquila chrysaetos japonica***” and “**Levels of infection of gastric nematodes in a flock of great cormorants (*Phalacrocorax carbo*) from Lake Biwa, Japan**” in the 1st Egypt/Gifu University Symposium held on June 15, 2013 at Gifu University, Japan.

- 10- A presentation of the paper entitled "**Prevalence and diversity of *Hepatozoon canis* in naturally infected dogs in Japanese Islands and Peninsulas**" during the 2nd International Asian Pacific Veterinary Conference (APVC), held in Bangkok, Thailand in 1-3 October 2014.
- 11- A presentation of a lecture in the Agriculture Research Center, Seds, Beni-Suef entitled "**How to write a scientific paper**" on September 15, 2014.
- 12- A presentation of a lecture in the Agriculture Research Center, Seds, Beni-Suef entitled "**Ethics and guidelines of international publishing**" on September 22, 2014.
- 13- A presentation of a lecture in the Agriculture Research Center, Seds, Beni-Suef entitled "**The use of adobe photoshop in illustrations**" on September 22, 2014.
- 14- A presentation in a workshop in the Faculty of Veterinary Medicine entitled "**Guidelines of publishing in the JVMR**" held on September 4, 2016.
- 15- A presentation of a lecture in the 8th conference of the Faculty of Veterinary Medicine, entitled "**How to write a scientific research article: editing, formatting and submission**" held in Hurghada during the period from 25-28 October 2016.

*** Serving in GenBank:**

- 1- Submission of *Echinococcus equinus* strain BSU-1 cytochrome oxidase subunit I (Accession number JN191313). <http://www.ncbi.nlm.nih.gov/nuccore/JN191313>
- 2- Submission of *Echinococcus equinus* strain BSU-1 NADH dehydrogenase subunit I (Accession number JN191320). <http://www.ncbi.nlm.nih.gov/nuccore/JN191320>
- 3- Submission of *Protostrongylus shiozawai* genes for ITS2, 28S rRNA, partial sequence (Accession number AB478249). <http://www.ncbi.nlm.nih.gov/nuccore/AB478249>
- 4- Submission of *Sarcocystis halioti* isolate B1 small subunit ribosomal RNA gene, partial sequence. <https://www.ncbi.nlm.nih.gov/nuccore/MH898960.1>
- 5- Submission of *Sarcocystis halioti* isolate B2 small subunit ribosomal RNA gene, partial sequence. <https://www.ncbi.nlm.nih.gov/nuccore/MH898961.1>

- 6- Submission of *Sarcocystis halioti* isolate B3 small subunit ribosomal RNA gene, partial sequence . <https://www.ncbi.nlm.nih.gov/nuccore/MH898962.1>
- 7- Submission of *Sarcocystis halioti* isolate B4 large subunit ribosomal RNA gene, partial sequence . <https://www.ncbi.nlm.nih.gov/nuccore/MH898981.1>
- 8- Submission of *Sarcocystis rileyi* isolate K4 large subunit ribosomal RNA gene, partial sequence . <https://www.ncbi.nlm.nih.gov/nuccore/MH898978.1>
- 9- Submission of *Sarcocystis rileyi* isolate K2 small subunit ribosomal RNA gene, partial sequence . <https://www.ncbi.nlm.nih.gov/nuccore/MH898979.1>

*** Training programs:**

- ▣ Training cycle in skills of effective presentation from Faculty and Leadership Development Project (FLDP) at 23 – 27 / 4 / 2005.
- ▣ Training cycle in skills of effective communication from Faculty and Leadership Development Project (FLDP) at 12 – 15 /11/ 2005.
- ▣ Practical participation in training cycle in **Advanced Techniques in Microscopical Examination and Diagnosis** from **7 – 9 May 2006**.
- ▣ Training cycle in development of thinking skills from Faculty and Leadership Development Project (FLDP) at 7 – 9 /3/ 2006.
- ▣ Training cycle in syllabus design from Faculty and Leadership Development Project (FLDP) at 4 – 6 /7/ 2006.
- ▣ Training cycle in Decision making and problems solving at from Faculty and Leadership Development Project (FLDP) at 23 – 25/5/ 2006.
- ▣ Training cycle in using technology in teaching from Faculty and Leadership Development Project (FLDP) at 22 – 27 /4/ 2006.
- ▣ Training cycle in scientific publishing from Faculty and Leadership Development Project (FLDP) at 14 – 16 /6/ 2008.

- ▣ Training cycle in Methods in Pathobiology from Faculty of Veterinary Medicine, Beni-Suef University at 17-20 / 5 / 2009.
- ▣ Training cycle in credit hours from Faculty and Leadership Development Project (FLDP) at 1-3 / 9/ 2009.
- ▣ Training cycle in international publishing from Faculty and Leadership Development Project (FLDP) at 8-10 / 9 / 2009.
- ▣ Training cycle in management in the university from Faculty and Leadership Development Project (FLDP) at 2009.
- ▣ Training cycle in exams and students evaluation from Faculty and Leadership Development Project (FLDP) at 30-31 /10/ 2013.
- ▣ Training cycle in strategic planning from Faculty and Leadership Development Project (FLDP) at 13-14 /11/ 2013.
- ▣ Training cycle in organization of conferences from Faculty and Leadership Development Project (FLDP) at 26-27 / 11/ 2013.

*** Academic courses:**

▣ **Master degree:**

Faculty of Veterinary Medicine, Beni-Suef branch, Cairo University, Dec. 1996.

Course No.	Course Name	Grade
-	Veterinary Parasitology	Very good
36	Clinical Biochemistry	Good
122	Pet animal diseases	Good
192	Advanced statistics	Very good
Total Grade		Very good

▣ Philosophy Doctor:

Faculty of Veterinary Medicine, Beni-Suef branch, Cairo University, Dec. 1999.

Course No.	Course Name	Grade
95	Advanced Veterinary Parasitology	Very good
98	Snails and their veterinary importance	Excellent
99	Parasitic immunity	Very good
100	Clinical Parasitology	Excellent
Total Grade		Very good

*** Computer courses and skills:**

- 1- Training cycle in Microsoft Office PowerPoint 2000 at 1-8/2/2000 from the Center of the Technology and Free Studies in Cairo University, Egypt.
- 2- Training cycle in Microsoft Office Excel 2000 at 4-12/7/2000 from the Center of the Technology and Free Studies in Cairo University, Egypt.
- 3- Training cycle in Microsoft Office Word at 2-17/9/2000 from the Center of the Technology and Free Studies in Cairo University, Egypt.
- 4- Training cycle in Microsoft Office Publisher 2000 at 15-23/3/2001 from the Center of the Technology and Free Studies in Cairo University, Egypt.
- 5- Training cycle in Microsoft Office Access 2000 from 10/4/2001 to 2/5/2001 from the Center of the Technology and Free Studies in Cairo University, Egypt.
- 6- Training cycle in Information Technology (IT) at 17-27/8/2001 from the Center of the Technology and Free Studies in Cairo University, Egypt.
- 7- Training cycle in Microsoft Office Outlook at 6-20/12/2001 from the Center of the Technology and Free Studies in Cairo University, Egypt.

*** Contributing as a peer-reviewer/editor:**

❑ **A peer-reviewer in the journal of buffalo science** ISSN: 1927-5196 / E-ISSN: 1927-520X/12 © 2012 Lifescience Global.

Reviewed articles:

- 1- Prevalence of Parasitic Infections in Buffaloes in and around Ludhiana District, Punjab, India: A Preliminary Study.
- 2-. On morphology of *Trichurov ovis*.

❑ **A peer-reviewer in the Open Veterinary Journal** ISSN 2218-6050 (Online), ISSN 2226-4485 (Print) (<http://www.openveterinaryjournal.com/reviewersandreferees.htm>)

reviewed articles:

- 1- Evidence of digit loss due to *Demodex* spp. in a dog: clinical and pathologic features.

❑ **A peer-reviewer in the Journal of Advanced Veterinary Research.** ISSN: 2090-6277 (Online), ISSN: 2090-6269 (Print)

<http://advetresearch.com/index.php/avr/index>:

reviewed articles:

- 1- Histopathological observations on experimental *Trypanosoma evansi* infection in rabbits.

❑ **A peer-reviewer in the Advanced Journal of Biological Sciences Research.** <http://advancedjournals.org/ajbsr/>

reviewed articles:

Effects of helminths on immunity, clinical response and vaccination of tuberculosis.

❑ **A peer-reviewer in the Journal of Reports in Parasitology.**

❑ **Editorial board member in the Merit Research Journal of Food Science and Technology (MRJFST).**

☐ **Reviewing** the following article in Advances in Animal and Veterinary Sciences on March 27, 2019: Helminth fauna of wild boars (*Sus scrofa barbarus*) in Morocco.

☐ **Reviewing** the following article in Journal of Helminthology on April 5, 2019:

Is routine disinfection efficient in preventing contamination with *Toxocara canis* (Ascaridia) eggs?

■ **Reviewing** the following article in Advances in Animal and Veterinary Sciences on August 19, 2019: Detection of some parasites in livers and spleens of slaughtered cattle.

■ **Reviewing** the following article in Advances in Animal and Veterinary Sciences on August 31, 2019: Tegumental alterations on *Raillietina galli*, an intestinal parasite of fowl, after treatment with *Millettia taiwaniana* extract

*** Awards:**

1- Award of the best manuscript and presentation of the paper entitled “Helminth fauna of a Japanese golden eagle, *Aquila chrysaetos japonica*” during the Satellite Symposium held by the Asian Society of Zoo and Wildlife Medicine, held in Chiang Mai, Thailand in 13-14 October 2012.

2- A letter of appreciation from the committee of the international symposium of Gifu University-Egyptian Universities collaboration held on June 15, 2013.

3- Award of the scientific excellence from Beni-Suef University on 2014.

4- Beni-Suef University Award for excellence on 2014/2015.

5- Certificate of excellence from the committee of the 8th conference of the Faculty of Veterinary Medicine, Beni-Suef University, Egypt held on 25-28 October 2016.

*** Contributions in books:**

- Fundamentals in Veterinary Parasitology Vol. I. Helminthology 1st Edition. eds. Khaled M. El-Dakhly, Shawky M. Aboelhadid , Waleed M. Arafa, Lilian N. Mahrous, Asmaa A. Kamel. 2018. Regist. No. 19805/2018.

- Practical Veterinary Parasitology. Vol. I. Helminthology.

- Fundamentals in Veterinary Parasitology Vol. II. Arthropoda and Protozoa 1st Edition. eds. Khaled M. El-Dakhly, Shawky M. Aboelhadid , Waleed M. Arafa, Lilian N. Mahrous, Asmaa A. Kamel. 2019. Regist. No. 4971/2019.
- Practical Veterinary Parasitology. Vol. II. Arthropoda and Protozoa.

*** List of publications:**

- 1- Mousa, W.M., Lotfy, H.S. and **El-Dakhly, Kh. M.** (1999): Studies on helminthes infesting stray dogs in Beni-Suef Governorate. 1st Congress Proceeding, Fac. Vet. Med. Beni-Suef Univ. 9 (3-A): 237-250.
- 2- **El-Dakhly, Kh. M.** (2005): Evaluation of crude and purified excretory/sereroty (peak II E/S) *Fasciola gigantica* antigens for serodiagnosis of fasciolosis in both naturally and experimentally infected sheep by Enzyme –Linked Immunosorbent Assay (ELISA). EVMSPJ. Vol. II (2): 354 – 365.
- 3- **El-Dakhly, Kh. M.**; Azza A. El-Sawah; Shalaby, A. A. and El-Nasr, Kh. A. (2006): The efficacy of *Lactobacillus acidophilus* and/or Diclazuril for inhibition and control of *Eimeria tenella* infection in Balady chicks. Kafr El-Sheikh Vet. Med. J. Vol. 1 (4): 1 – 18.
